

The Roald F. and Della J. Campbell Fellowship

The Roald F. and Della J. Campbell Fellowship may be given each year to a student of significant achievement and promise in the field of educational administration. The fellowship is preferably awarded to a deserving student who will be in full-time residence during the year of the award and who has excelled academically and shows promise of high achievement in the field of educational administration as a practitioner or as a scholar. Financial need, on the part of the candidate, will not be considered as a criterion in selecting the fellowship winner. Candidates for the fellowship must be nominated by a member of the faculty in the Department of Educational Leadership and Policy.
